*Tour Championship

The BVA will be hosting three South Western Ontario Beach Volleyball tournaments for the Ontario Volleyball Association. These tournaments will determine who will earn a spot on the 15U Regional Team.

15U Regional Team Tryout Information:

Individuals aged 15 and under, who register in the Windsor and/or Kitchener tournament(s) are automatically eligible to earn a spot on the 15U Regional Team. Athletes will be assessed by the Region 3 coaching committee. The committee will base their decision on the athlete's skill level, game knowledge and tournament performance. There are 4 male and 4 female spots available for the Regional 3 Team. The committee may select a team that has registered together or select individuals from different teams to make a new team. The athletes selected will then compete in the Port Stanley Tour Championship (see below).

Port Stanley Tour Championship:

The Regional 3 Teams will compete in the Port Stanley tournament. During the tournament, teams will be trained by head coach, Julia Hall. This tournament is important for the development of the teams and for the preparation of the Ontario Summer Games.

2010 Ontario Summer Games:

The athletes, who have been chosen to represent the Region 3 Teams, will compete in the 2010 Ontario Summer Games. The Games will be held in Sudbury from August 10th to August 13th.
